The ALL Virginia cigarette—

Piedmont

The Cigarette of Quality

10 for 5¢

NOTE.—Pocahontas was a girl when John Rolfe started to cultivate tobacco down in old Virginia. That was over 300 years ago, and every year since it has been steadily cultivated and improved. The soil of Virginia and the Carolinas yields the highest grade cigarette tobacco on earth—that's what experts say. Perhaps that is the reason why Virginia is known as "the tobacco man's tobacco."
